From your elected President of the Medical Staff Joseph Love, M.D., Beaumont, Troy

Beaumont

While visiting Mackinac Island this past weekend, I couldn't help but notice the Michigan Academy of Family Physicians was having its annual conference at the Grand Hotel and honoring our own Dr. Ted Tangalos as the Michigan Family Physician of the Year. Congratulations to Ted!

Dr. Ben Schwartz, the new president of Beaumont Health, will be visiting Beaumont, Troy this week with some of the administrative leaders and the elected President's Council physicians. It is our mission to convey the unique Troy culture and the most pressing concerns of the staff. Please drop me an email with you constructive input.

Here are a few upcoming dates:

- **Saturday, Oct. 1** – Casino Night at the Royal Park Hotel. We will present the Distinguished Service Award. More information is coming soon. Please watch for the invitation in your home mailbox.
- **Thursday, Nov. 17** – Medical Staff Meeting at 6 p.m. in the Qazi Auditorium at Beaumont, Troy
