## Mobile Heartbeat – Personal iOS Device Setup

### Part 1 – Installing Mobile Heartbeat (MH-Cure White) On Your Personal Device

Step	Action
13	<p>Tap <b>*zTraining</b> or <b>*New User</b> to remove the assignment (blue checkmark will be removed). Select an appropriate unit assignment (blue checkmark will appear) and tap <b>Done</b>.</p> <p><b>*Note: You may assign yourself to multiple units, however, it is not recommended to assign yourself to every unit in the hospital. If you have patients on more than 2-3 units, assign yourself to a user group (i.e. Physician, Infection Prevention, Wound Care...) rather than a unit location.</b></p> <div style="display: flex; justify-content: space-around;"> <div data-bbox="321 615 799 1270"> <p>This screenshot shows the 'Select Unit' interface with a blue header containing 'Cancel', 'Select Unit', and 'Done'. Below the header is a list of units. The unit '*zTraining' is highlighted with a red border and has a blue checkmark to its right. Other units listed include 1 NT ENDO PACU, 1S Surgical Services SSU, 2 ST PACU A Over, 2CT Cardiac Cath Holding, 2E SICU Cardiovascular Surgical Intensive Care, 2S Surgical Services, 3CN SPCU Surgical Progressive Care Unit, 3E SICU Surgical Intensive Care, 4C MPCU Medical Progressive Care Unit, 4E MICU Medical Intensive Care, 5C Nephrology Transplant, 5CE Pediatrics, and 5CN SPCU Surgical Progressive Care Unit.</p> </div> <div data-bbox="883 615 1347 1270"> <p>This screenshot shows the same 'Select Unit' interface. The unit '*zTraining' is no longer selected. The 'Done' button in the top right corner of the header is highlighted with a red border. The rest of the unit list remains the same as in the previous screenshot.</p> </div> </div>

## Part 1 – Installing Mobile Heartbeat (MH-Cure White) On Your Personal Device

Step	Action
15	<p>You can set up your MH-Cure White app for auto updates when new versions are available. Simply go to <b>Settings</b> on your iOS device scroll down to <b>iTunes &amp; App Store</b>. <b>*NOTE: This settings change will apply to all apps on your device that you have downloaded from App Store.</b></p>  <p>The screenshot shows the 'iTunes &amp; App Stores' settings page on an iPhone. The 'App Updates' toggle is highlighted with a red box and is turned on (green). Below it, the text reads: 'Automatically download new purchases (including free) made on other devices.' Other toggles for Music, Apps, and Books &amp; Audiobooks are turned off. The 'Automatic Downloads' toggle under 'CELLULAR DATA' is also turned on.</p>
16	<p>Verify that critical alerts notifications are activated- Simply go to <b>Settings</b> on your iOS device scroll down to <b>MH-CURE White</b> select notifications and toggle on <b>Allow Critical Alerts</b>.</p> <div data-bbox="321 1289 701 1787" style="border: 1px solid black; height: 237px; width: 234px;"></div> <div data-bbox="837 1289 1205 1787" style="border: 1px solid black; height: 237px; width: 226px;"></div>
17	<p><b>Please contact your site Physician Support Rep or call the Help Desk (888-481-2448) to have your cell phone number added to the Mobile Heartbeat database.</b></p>
