

# Neurology for the primary care partners (PCP)

Friday, Nov. 8, 2024

MSU Management Education Center  
811 Square Lake Road • Troy, MI 48098

## Description

This conference is geared toward primary care partners. The key objectives are to help the primary care provider identify neurological symptoms and treatment options.

## Target audience

- Physicians.
- Physician assistants.
- Nurses.
- Nurse practitioners.
- Physical and occupational therapists.
- Allied health.
- Residents, fellows and medical students in the specialties of family medicine, internal medicine and pediatrics.

## Objectives

At the conclusion of this activity, learners should be better able to:

- Identify signs and symptoms associated with specific neurologic disorders.
- Explain treatment options for pediatric and adult patients with neurological symptoms.
- Instruct participants on guidelines for patient referral.
- Describe follow-up recommendations to reduce readmissions.

This activity is approved for **AMA PRA Category 1 Credits™**, **ANCC Nursing Contact Hours** and **ACPE Contact Hours for pharmacists and pharmacy technicians**.
