

Charting Efficiency Course

Go To Bed without Charts in your Head

**Has charting impacted your enjoyment of medicine?
Has it affected your personal life outside of work?**

You are not alone! Join us for a three session Charting Efficiency Course to learn proven strategies that have helped hundreds of physicians and APPs break free from the stress of charting. Attend any or all the sessions.

Wednesday, July 24, 2024, 12:00 PM – 1:00 AM

- Discover key concepts that create a foundation for change in charting.
- **Concept 1:** In-the-moment chart closure

Wednesday, August 28, 2024, 12:00 PM – 1:00 AM

- **Concept 2:** Managing a backlog of charts and in-basket messages
- **Concept 3:** How to view the patient visit
-

Wednesday, September 25, 2024, 12:00 PM – 1:00 AM

- **Concept 4:** Handling interruptions
- **Concept 5:** Dealing with the extras
-

CME Credit is available for all sessions.
