

Target Audience: All Dragon Medical One Dictation Users

Effective Date: December 13, 2021

Location(s): Dearborn Farmington Hills Grosse Pointe Royal Oak Taylor Trenton
 Troy Wayne Canton AMB BMG/SA6 AMB Independent Other
 ASC (Ambulatory Surgery Center) OPC (Outpatient Center) BBH (Beaumont Behavioral Health)

Module: Dragon

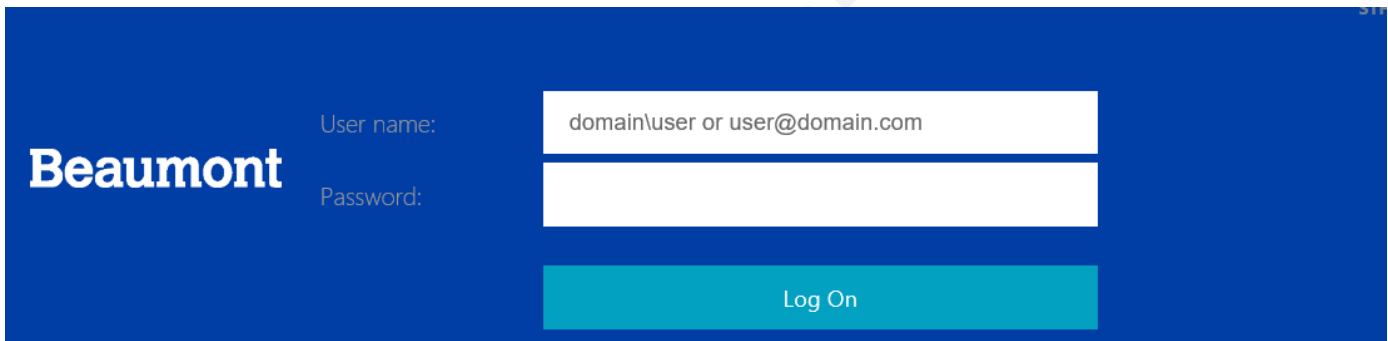

Overview: **Dragon Medical One (DMO) – How to access DMO and Login**

Once you have an active DMO account, Dragon will no longer be launched through an icon on the desktop.

How it Works:

1. Log into **Beaumont Health Apps**: <https://bhapps.beaumont.org/>

2. Select **APPS** (top of the screen)

3. Select **oneChart**

4. Click **Dragon Login** (on the Epic Toolbar)

Note: If you have customized the Toolbar **Dragon Login** may be located under the **double chevron (>>)**.

5. DMO will launch and sign in automatically

Note: The first time DMO is accessed the login screen below will display:

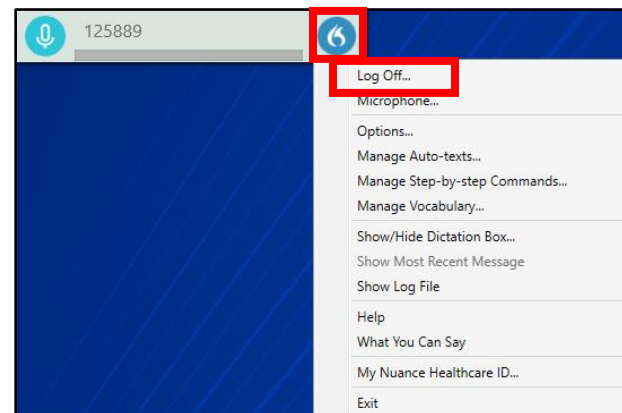

Review and Update any information as needed

- **User:** Verify your Beaumont Username displays
- **Microphone:** Select the Microphone source
 - PowerMic II (III)
 - Nuance PowerMic Mobile (Phone App)

Note – If a Microphone Source is not listed, it is because that device is not connected currently.

- **Specialty:** Select the specialty
 - General Medicine will default and will work for all providers
- Click **OK**

Note: To get back to this screen at any time, click the **Blue Flame** icon and select **Log Out**.
