

## Access to Bookshelf & Video Library

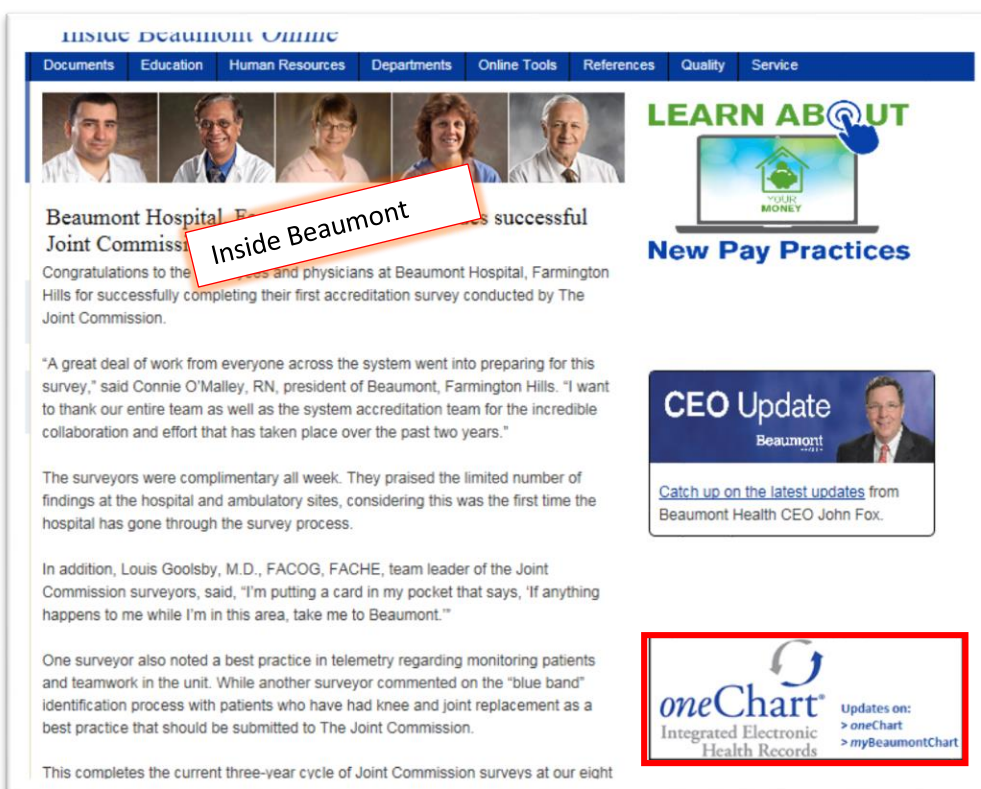

There are many educational resources available on the bookshelf and video library.

Go to oneChart, either through Beaumont Intranet or Inside Beaumont.

### Welcome to the Beaumont Health oneChart home page!

The home page will allow you to quickly and easily find links to information such as the [calendar of classes and schedules](#), as well as, the [IT Training Center](#). This will help you to identify your curriculum and register for classes.

The oneChart homepage also contains easily accessible Physician and Nursing education/reference material located on the [Bookshelf](#), Newsstand and our [Video Library](#).

What is available on the oneChart home page?

IT Training Center to:

- Review Schedules/Classes
- Sign up for classes
- Review CBTs (Computer Based Training modules)
