NEED A LITTLE HELP?

Do Your Patients Need a Little Help?

Beaumont's Community Resource Network makes it easy to find programs and community resources to help you help your patients with their essential needs. The online tool recommends referral options based on their identified area of need and their zip code.

WHY USE IT?

With more than 40,000 social services listed by zip code, you can find local services related to:

- food and goods
- housing
- financial assistance
- transportation
- legal aid
- education and work
- health
- mental health
- help with abuse
- help with care

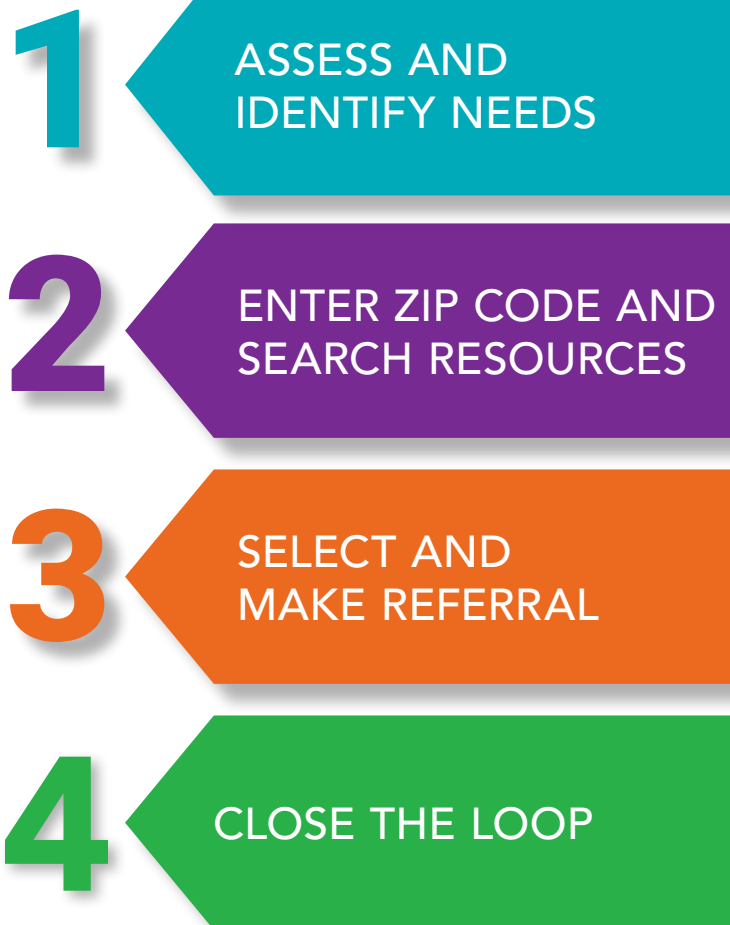

The resources can be emailed, texted or printed. **Best of all, it's free.**
