## Culture at Beaumont and its current state

As we continue to shape our future together, we need to have a shared understanding of the culture today and about what we want it to be moving forward. Gathering feedback and listening to every physician's insights about culture are critically important.

As a starting point for that conversation, you are invited to share your thoughts in a culture survey that was sent to your preferred email address from [BHSHculture@bcg.com](mailto:BHSHculture@bcg.com) on Tuesday, May 17. Please answer the questions from your own experience of working at Beaumont.

A few things to note before you begin:

- The survey will be available starting on Monday, May 16 and will **close on Friday, May 27 at midnight**.
- The survey is **completely voluntary and confidential**. Boston Consulting Group will administer the survey. All results will be aggregated and anonymized before sharing with BSH leadership to ensure confidentiality.
- Plan to take about 15 to 20 minutes to complete the survey. This survey performs best on Google Chrome and can also be completed on a mobile device.

If you have technical difficulties, contact [BHSHculture@bcg.com](mailto:BHSHculture@bcg.com).
