Managing Outlook attachments in a Web Browser:

Note: When you click on an Outlook attachment using your web browser, by default it will automatically open using the web browser version of Word, Excel or PowerPoint. Follow the steps below to open in the Microsoft Office Desktop version. This requires Microsoft Office to previously be installed on your computer.

Example: By default, this will be what it looks like in the web version:

- 1. To open in the Desktop version, first select the email that contains the attachment.
- 2. Select the attachment or select the arrow pointing downwards.

3. Select Download.
