

## BEAUMONT OUTPATIENT CAMPUS – LENOX

**NOW OPEN**  
HERE FOR YOU AND YOUR PATIENTS

**36555 26 Mile Road**  
**Lenox Township, MI 48048**

Your patients in Macomb and St. Clair counties now have easy and convenient access to many high-quality Beaumont outpatient services all under one roof. At Beaumont Outpatient Campus – Lenox, we have redesigned clinical care to create a differentiated patient experience. Investments in digital technologies and facility design encourage patient and family engagement while making the experience more welcoming, convenient and efficient. The campus features the latest technology to enhance patient care and safety. Services located in Lenox are supported by the entire Beaumont system.

**The new campus will be home to a variety of services dedicated to providing continuity of care and better patient outcomes.**

### EMERGENCY

Beaumont Emergency Center at Beaumont Outpatient Campus – Lenox offers the same high-quality, comprehensive emergency care you expect from other Beaumont locations. This center is conveniently located for your patients and closely integrates with Beaumont’s hospitals to enable efficient transitions to an inpatient setting if needed. The Emergency Center is open 24/7. For more information, visit [beaumont.org/lenox-emergency](http://beaumont.org/lenox-emergency).
