From your elected President of the Medical Staff Joseph Love, M.D., Beaumont, Troy

Beaumont

The Corewell Health Beaumont Troy Casino Night was an overwhelming success. The Royal Park Hotel was the perfect backdrop to honor Dr. Michelle Vogel with the Physician Distinguished Service Award and Cori Lucky, PA-C, with the APP Award. There were close to 400 people and lots of collegiality and appreciation for Michelle and Cori.

Earlier this month, the Medical Staff hosted physician families and children at Blake's Cider Mill in Armada. It was a great fall day, and there was so much enthusiasm. We hope to make it an annual event.

Don't forget to vote! Medical staff elections are currently taking place at legacy Beaumont, Grosse Pointe, Royal Oak, and Troy until **noon on Monday, Oct. 24**. Please access the voting page at providers.beaumont.org.

There are many moving parts going on at the system level. Our local leaders, Dr. Mike Khoury and Tom Lanni are at the table trying to interpret the new Service Line structure and how it will affect Troy specifically. There are many discussions about maintaining the unique culture at Troy with our most engaged and collegial Medical Staff.
