

The Ulliance Life Advisor Physician Assistance Program will start on 3/1/2021.

- **Eligibility**
Available to physicians & eligible family members (spouses / live-together partners / dependent children through age 26)
- **No cost**
- **Confidential**
The Employee Assistance Program (EAP) is separate from insurance. We do not use diagnostic/billing codes and no information is entered into the EHR.
- **Renewable** (it can be utilized more than one time and/or by more than 1 family member at the same time)
- **Services**
Counseling / coaching / crisis intervention / work-life resources (we have books in our resource library specific to physician well-being which can be mailed directly to a physician's home and are yours to keep at no cost)
Support for emotional crises is available 24/7/365
- **Phone Access**
(844) 684-3422
