

Join the Beaumont Physician Referral Service

Beaumont physicians are invited to participate in the Physician Referral Service. Through this complimentary service, Beaumont refers patients to you based on their symptoms, conditions, specialty needed, insurance, location and more.

One of the main goals of the service is to meet the needs of our patients. This allows us to provide expedited care while assisting patients with scheduling their first appointment with Beaumont doctors who meet their specific needs.

Some benefits for physicians on the service include:

- seeing new patients who meet a specific scope of practice
- promoting business growth through a complimentary service
- assistance with converting a referral into a scheduled appointment
- tracking of referred patients
- enhanced reputation through affiliation with Beaumont

If you have questions regarding the referral service,
please call **248-577-6260** or email
PRS@beaumont.org for more information.
