

## Apple iOS 16 available for iPhones - be aware of a reported bug

Beaumont has been notified of an Apple iOS 16 identified bug impacting the Mobile Heartbeat function of “Sending Broadcast to Care Team.” Mobile Heartbeat personal device users who update their iPhone to iOS 16 when it is released today be aware to **NOT** use the following: Located on the Patient Screen, under the assigned care team is the option to ‘Send Broadcast to Care Team’ – if you chose this to send a broadcast, the application will **CRASH** due to the iOS 16 identified bug. Instead, please use Dashboard/Broadcast/Quick / and select the appropriate care team to send the broadcast.

If you have questions, please contact the Service Desk at 888-481-2448 or via the IT Support desktop icon.
