

Walk with us.

When cancer strikes, it hits from all sides. That's why the American Cancer Society is committed to fighting cancer on all fronts.

American Cancer Society Making Strides Against Breast Cancer is the nation's largest and most impactful breast cancer movement – providing a supportive community for courageous breast cancer survivors and metastatic breast cancer thrivers, caregivers, and families alike. This year, Corewell Health is the proud sponsor of the Resource Village, a space to provide resources and education to Strides supporters and community members. We invite you to join us in support of Making Strides and help to end breast cancer as we know it for everyone.

HELP END BREAST CANCER AS WE KNOW IT

Corewell Health's sponsorship of this event underwrites your entry fees and fundraising so that you and your family may **participate on the corporate walk team as our guest to promote the cause.** Please know that there is no obligation to fundraise or make a contribution for your participation in this event.

SURVIVORS AND THRIVERS, JOIN OUR TEAM!

The Making Strides movement raises lifesaving funds that support breast cancer patients, survivors, thrivers, and caregivers through every step of the journey—and we invite you to join us! Scan the QR code or visit MakingStridesWalk.org/Corewell to join our team.
