

Epic/*one*Chart monthly system update on Sept. 7

On Tuesday, Sept. 7, the IT Department will apply the *one*Chart Monthly Inpatient & Ambulatory system updates. No downtime is required.

While using a Beaumont computer, please view the September 7th Bundle document on the [oneChart Update Bundles site](#) to learn more. Select the Ambulatory Updates button on the right to view the new Ambulatory Update Bundles page. Click the hyperlinks within the documents to open specific education materials.

For further information, visit the [oneChart Education site](#).
