

Monthly Windows updates through Sept. 30

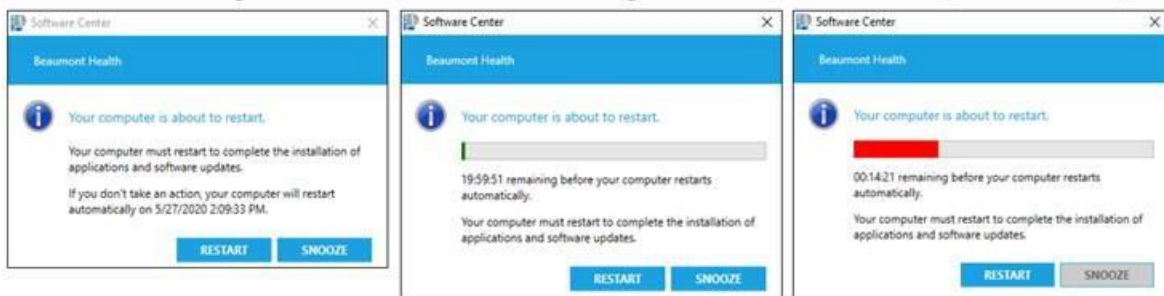

Starting Monday, Sept. 19 at 9 p.m., through Friday, Sept. 30 at 2 a.m., Microsoft Windows updates will occur on all workstations across Beaumont Health.

A popup message will appear on the screen allowing you to either restart or snooze.

- Restarting will complete the monthly update and the popup message will no longer appear.
- If you choose snooze, a reminder message will appear every 60 minutes to restart or snooze. You can snooze for up to seven days before a final 15-minute popup message will appear. At the end of this timer, the computer will restart automatically.
