

Network share drive consolidation continues Jan. 31 through Feb. 9

Starting Tuesday, Jan. 31 through Thursday, Feb. 9, Corewell Health East Digital Services will consolidate the following mapped network share drives to the standardized S and H drives.

- Tuesday, Jan. 31 & Thursday, Feb. 2, MSWBH & OHSNET shares wave 1
- Tuesday, Feb. 7 & Thursday, Feb. 9, MSWBH & OHSNET shares wave 2

Note that the S drive is the Digital Services standard for Department shares. The H drive is the Digital Services standard for team members' personal home directory.

If you notice after Feb. 9, that data saved to a network drive at MSWBH & OSHNET is no longer available, check your S or H network drives.
