

MedLines

News for and about Corewell Health physicians, APPs and other providers:

- Sent the third Friday of every month.
- Emailed to all Corewell Health physicians, APPs, residents and fellows (employed and independent).
- Contains need-to-know information, such as clinical updates.
- And good-to-know information, such as recognition, research, educational opportunities and well-being resources.
- Is quickly scannable with easily accessed links and fewer barriers.

This is a significant step forward in the communications to the physicians and APPs within Corewell Health. This concise newsletter with links to more information is much needed. When it arrives, I will give this my full attention.

Robert Burke, M.D., Corewell Health Beaumont Troy Hospital
