Due to security issues, there are extra steps to login from a non-Corewell device.

1. Visit <https://bhapps.beaumont.org/>
2. Log into BHAPPS.
3. Under the APPS screen, find and click on the Physician Resource box.

4. Click on the down arrow in the Physician Resource box.

6. An .ica file will download. Depending on your browser, it should be noticed on the bottom or top of your browser. **Open that file.** The Physician Resources page appears.

7. Click on the **Vote Now** link on the top of the page. Depending on your browser, you might have to expand the window to see the entire page.

8. Click on **Sign In** on the navigation bar or in the body text of the page. Because the program is using your Corewell Single Sign-On account, you might already be logged in and you may not see the next step.

9. You might be asked for your **Corewell Microsoft ID**. In some cases, you should see your account listed. If you do not see your account, click on Use Another Account and login as asked.

10. Depending on your activity already today, you may be asked to verify your account PING. If you are having an issue logging in, please call the Help Desk at 1-888-481-2448.

11. Once you passed the login, you will see the “voting booth” page. This is a list of the elections you are eligible to cast a vote. **Click on the Vote button.**
