

Colleagues,

Take a bow.

Due to your excellence and unwavering commitment to patients, once again, you have been recognized by U.S. News & World Report.

Beaumont, Royal Oak, Troy and Grosse Pointe have earned national recognition by U.S. News & World Report in "America's Best Hospitals" rankings. Additionally, Beaumont also has the most nationally ranked hospitals in Michigan.

Beaumont, Royal Oak ranked No. 2 statewide. This marks the 27th consecutive year Beaumont, Royal Oak has been included in this U.S. News national listing. The hospital also ranks No. 2 in Metro Detroit. Beaumont, Troy and Beaumont, Grosse Pointe are both ranked No. 3 in Michigan and Metro Detroit.

Beaumont, Dearborn is ranked No. 10 in Michigan and No. 7 in Metro Detroit. All eight Beaumont Health hospitals also received "high performing" national ratings for common adult procedures and conditions.

Only about 4%, or 175 of the 4,750+ medical centers nationwide analyzed for Best Hospitals 2021-22 earned a national ranking in even one specialty. In 12 specialties, the top 50 hospitals nationally are ranked based on objective measures. Three additional specialties are based on a reputational survey of board-certified specialists, with fewer hospitals earning rankings in those specialties.

Beaumont, Royal Oak, Troy and Grosse Pointe are all also [Magnet hospitals](#), the highest honor for nursing excellence awarded through the Nurses Credentialing Center, a subsidiary of the American Nurses Association.
